BUSINESS REVIEW AND OUTLOOK

In the first half of 2019, the National Healthcare Security Ad₁inistration (the "NHSA") has i₁ple₁ented a series of refor₁ ₁easures to control ₁edical insurance expenditure, such as procure₁ent with volu₁e in 4+7 pilot cities and the refor₁ of ₁edical insurance pay₁ent ₁ethods. The Group actively adjusted its strategy to adapt to ₁edical insurance expenditure contain₁ent and supervision. While ensuring the quality of healthcare services, the Group i₁proved and adjusted the charging structure to control ₁edical expenses. The following progress has been ₁ade:

In the first half of 2019, the Group's owned hospital business developed steadily. Hangzhou Yining Hospital, Taizhou Kangning Hospital and Luqiao Cining Hospital, which were opened in 2018 as well as Wenling Nanfang Hospital, Nanjing Yining Hospital, Guanxian Yining Hospital and Heze Yining Hospital, which were consolidated by ₁ergers and acquisitions, all have been on the right track in their business develop₁ent. The businesses of the Group's ₁ature hospitals have developed stably, the service volu₁e of Pingyang Kangning Hospital and Geriatric Hospital has increased fast as co₁pared with that of the sa₁e period of last year. The business of Qingtian Kangning Hospital, Yongjia Kangning Hospital and Cangnan Kangning Hospital has been constrained by space concerns, however, these three hospitals have sought new sites to i₁ple₁ent relocation projects and are expected to add 800 beds. With the increasing de₁and for high-end psychological services and growing influence of the Group's brand, the nu₁ber of outpatients and inpatients in Beijing Yining Hospital has increased significantly. As of June 30, 2019, the nu₁ber of the Group's owned hospitals increased to 20 (Dece₁ber 31, 2018: 18) and the nu₁ber of beds under operation increased to 5,593 (Dece₁ber 31, 2018: 5,140).

In the first half of 2019, in order to concentrate strength and energy on the develop₁ent of owned hospitals, the Group slightly reduced business of healthcare facilities ₁anage₁ent. During the Reporting Period, Wenzhou Cining Hospital, Yiwu Psychiatric Health Center, Pingyang Changgeng Ward, Pujiang Hospital and Chun'an Hospital had stable business, while the ₁anage₁ent service of Yanjiao Furen Hospital was substantively suspended due to agree₁ent dispute (for details, please refer to the announce₁ent of the Co₁pany dated June 25, 2019). As of June 30, 2019, the nu₁ber of healthcare facilities under ₁anage₁ent by the Group decreased to 5 (Dece₁ber 31, 2018: 6) and the nu₁ber of beds under ₁anage₁ent decreased to 990 (Dece₁ber 31, 2018: 1,160).

In the first half of 2019, while steadily developing our existing hospitals, the Group continued to develop the healthcare facilities network through ₁ergers and acquisitions. We collectively held 51% equity interest in Beijing Yining Hospital through capital increase and collectively held 65% equity interest in Huainan Kangning Hospital through acquiring equity interest (for details, please refer to the announce₁ent of the Co₁pany dated May 14, 2019).

Looking into the future, with the further develop₁ent of building a healthy China and the strong de₁and for healthcare service, the ₁edical insurance pay₁ent ₁ethods will be ₁ore scientific and reasonable. While expanding the healthcare service network, the Group will further opti₁ize the service positioning, actively dock with co₁₁ercial insurance, vigorously expand non-₁edical insurance business, and strive to achieve stable and sustainable develop₁ent of healthcare business.

Management Discussion and Analysis

Financial Review

The Group recorded revenue of RMB378.9 ₙillion for the Reporting Period. After excluding the revenue of RMB5.9 ₙillion for property and other business, the revenue of healthcare business aₙounted to RMB373.0 ₙillion, representing an increase of 8.6% as coₙpared with that of the saₙe period of 2018, ₙainly because the revenue froₙ operating the Group's

During the Reporting Period, total revenue of the Group amounted to RMB378.9 million, representing an increase of 6.2% as compared with that of the same period of 2018, of which healthcare business revenue was RMB373.0 million, representing an increase of 8.6% as compared with that of the same period of 2018, mainly due to revenue from operating the Group's owned hospitals increased by 8.8% and management service fee income increased by 5.7%. The proportion of revenue from operating the Group's owned hospitals to healthcare business revenue increased to 96.6% (for the six months ended June 30, 2018: 96.5%), while the proportion of management service fee income to healthcare business revenue decreased to 3.4% (for the six months ended June 30, 2018: 3.5%).

Revenue and cost of revenue from operating the Group's owned hospitals

Revenue from operating the owned hospitals consists of fees charged for the outpatient visits and the inpatient services at the Group's various hospitals, including treatment and general healthcare services and pharmaceutical sales. The table below sets forth a breakdown of our revenue, cost of revenue and gross profit for the owned hospitals for the periods indicated:

During the Reporting Period, inpatient revenue amounted to RMB302.9 million, representing an increase of 6.5% as compared with that of the same period of 2018, primarily due to: (i) the number of the Group's inpatient bed-days increased by 26.9% arising from the increase of inpatient beds in Geriatric Hospital, Taizhou Kangning Hospital and Hangzhou Yining Hospital; and (ii) the average inpatient spending per bed-day of the Group's owned hospitals decreased by 16.2% caused by reform of medical insurance payment methods. The proportion of inpatient revenue to our revenue from operating owned hospitals decreased to 84.1% (for the six months ended June 30, 2018: 85.9%).

During the Reporting Period, outpatient revenue amounted to RMB57.3 million, representing an increase of 22.6% as compared with that of the same period of 2018, primarily due to: (i) the increase of outpatient visits by 15.7%; and (ii) the increase of the average outpatient spending per visit by 5.9% due to the increased number of high-end patients. The proportion of outpatient revenue to our revenue from operating owned hospitals increased to 15.9% (for the six months ended June 30, 2018: 14.1%), mainly due to the proportion of inpatient revenue to revenue from operating owned hospitals decreased more significantly.

During the Reporting Period, due to the increase of both inpatient and outpatient business of owned hospitals, revenue from treatment and general healthcare services increased by 4.2% as compared with that of the same period of 2018, and decreased to 73.2% of revenue from operating our owned hospitals w 0 -1.556 TD9p3x month[(ended JuTD9pne 30, 20176.44.1;)8

Corporate Governance and Other Information

CORPORATE GOVERNANCE

The Board is of the opinion that the Company has complied with all code provisions in the CG Code during the Reporting Period.

COMPLIANCE WITH THE MODEL CODE

The Company has adopted the Model Code as a code of conduct of the Company for its Directors' and Supervisors' securities transactions. Based on specific enquiries to all Directors and Supervisors, the Directors and the Supervisors have complied with the required standard set out in the Model Code during the period from January 1, 2019 to June 30, 2019. The Company minimizes the scope of insiders before publication of such inside information. Employees who are, or likely to be, in possession of unpublished inside information in relation to the Company or the Shares are prohibited from dealing in the Shares during the black-out period. The Company will file relevant information of such employees, including but not limited to the inside information, personal identity, securities account, the department such employees serve and their responsibilities, for Company's internal check and relevant regulatory authorities' inquiries. If such employees violate relevant laws and regulations, the Company will make the punishment decisions or transfer them to the judicial organs for handling in accordance with the law, in accordance with the seriousness of the case.

ACCOUNTING STANDARDS

The Company has been applying the China Accounting Standards for Business Enterprises since the financial year of 2017, and has complied with the disclosure requirements required in the Companies Ordinance (Chapter 622 of the laws of Hong Kong) (the "**Companies Ordinance**").

ACCOUNTING POLICIES

Accounting Policies

The financial statements are prepared in accordance with the Accounting Standard for Business Enterprises - Basic Standard and specific accounting standards and relevant rules issued by the Ministry of Finance of the PRC on February 15, 2006.

The financial statements are prepared and has disclosed relevant financial information in accordance with the requirements of the Accounting Standard for Business Enterprises No. 32 - Interim Financial Report issued by the Ministry of Finance.

The financial statements are prepared on a going concern basis.

The Companies Ordinance has commenced operation in 2016. Some notes in financial statements have reflected the new requirements of the Companies Ordinance.

Adoption of New Accounting Policies

In 2018, the Ministry of Finance issued the new lease standard, and issued "Circular on Revising and Issuing the 2019 Versions of General Corporate Financial Statement Templates" (Cai Kuai [2019] No. 6). The Group's financial statements for the six months ended June 30, 2019 are prepared in accordance with the above standard and circular.

The Group adopted the new lease standard at January 1, 2019. According to the relevant provisions of the new lease standard, the Group has not adjusted the comparative financial statements for 2018.

Contents and reasons of the modification of accounting policies	The line items affected	The amounts (RMB) affected January 1, 2019 The Group
For operating lease contracts that existed prior to the initial implementation of the new lease standard, the Group adopts different methods according to the remaining lease period:	Right-of-use assets	234,963,917
	Lease liabilities	(198,596,521)
If the remaining lease period is longer than one year, the Group recognises lease liabilities based on the remaining lease payment and incremental borrowing rate on January 1, 2019 ("dated of initial implementation"). Right-of-use assets are recognised as the same amount as lease liabilities, and are adjusted according to the prepaid rent.	Current portion of non-current liabilities	(26,230,361)
	Prepayments	(13,968,903)
	Other payable	3,831,868
If the remaining lease period is less than one year, the Group adopts a simplified method of not recognising the right-of-use assets and lease liabilities, with no significant impact on the financial statements.		
For operating lease contracts with low value that existed prior to the initial implementation of the new lease standard, the Group adopts simplified method of not recognising the right-of-use assets and lease liabilities, with no significant impact on the financial statements.		

Apart from the above, other impacts of implementation of new accounting standards are reclassification among line items of the financial statements.
